Supervisor Biane supports 42nd annual Mt. Baldy Run to the Top

SAN BERNARDINO – The Board of Supervisors on Tuesday agreed to provide \$2,000 to support the 42nd annual Mt. Baldy Run to the Top – a grueling eight-mile footrace on Sept. 3 that will help raise funds for community organizations.

“The Mt. Baldy Run to the Top is a great fundraiser and is also one of the community’s premier events,” said Board of Supervisors Chairman Paul Biane, who requested funds to support the race. “Hundreds of runners from throughout Southern California and beyond come to test their endurance and abilities during this challenging mountain race.”

Last year, the Mt Baldy Run to the Top attracted more than 500 runners and about 1,200 spectators. The event raised about \$9,000 for community organizations such as the Mt Baldy Volunteer Fire Department, Mt Baldy Search and Rescue Team, West Valley Search and Rescue Team, Canyon Graffiti Removal Program, Citizens on Patrol, and the Mt. Baldy Fire Safe Council.

The Mt. Baldy Run to the Top features a 4,000-foot elevation gain and is considered one of the most difficult footraces in the state. The San Antonio

Heights Canyon Town Hall is sponsoring the race. More information about the race is available online at www.run2top.com.
